

Department of Economics University of Perugia

Arriving to Perugia:

From Perugia Airport

Umbria Airlink, from the airport to Perugia town center → Piazza Italia.

From Fiumicino

By train: Take the train from Fiumicino Airport to Termini Train station. Change to direct train to Perugia or you may find options with change at Foligno or Terontola-Cortona. (About 15-20€)

Note that most of the trains going to Perugia/Foligno depart from the Platform 1 or 2 est, these platforms are a bit further so make sure you have enough time (10-15 minutes walk) to reach them before the departure.

Practical information

Perugia was built on a hill, and the historical centre can be found on the top. The town offers a stunning view at 360 degrees. Many departments of the university are hidden in the historical centre of the town which is characterized by many stairs (some escalators) and uphill streets. We recommend comfortable clothing, and proper walking shoes to enjoy your stay to the fullest.
